**Re: Applications of Duke Energy Progress, LLC and Duke Energy Carolinas, LLC  
for Approval of Smart Saver Solar as Energy Efficiency Program  
Docket Numbers: 2021-143-E & 2021-144-E**

Dear Ms. Boyd:

Pursuant to the Prefile Testimony Letters filed in the above-referenced dockets on July 27, 2021, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the "Companies") hereby notify the Public Service Commission of South Carolina (the "Commission") of the order in which they intend to present their witnesses during the October 28, 2021 virtual hearing. Because the hearing is being held virtually, the Companies do not intend to use panels of witnesses and will present each witness individually. The Companies plan to call their witnesses in the following order:

**Direct Phase:**

1. Lynda Shafer
2. Timothy Duff (direct testimony)

**Rebuttal Phase:**

1. Timothy Duff (rebuttal testimony)
2. Leigh Ford (rebuttal testimony)
3. Lon Huber (rebuttal testimony)

Due to the complex and technical issues in this case, the Companies propose to put up their rebuttal witnesses individually after the presentation of direct testimony by other parties. The Companies believe it is important that these witnesses' responsive testimony be heard after the testimony to which they are responding.
